

Beaverton Rural Schools is proud to announce that all schools are still serving Universal Breakfast. Universal Breakfast means that all students attending Beaverton Rural Schools can eat breakfast for FREE every day they attend school, whether they are free, reduced, or full pay lunch students. Universal Breakfast offers a variety of foods including reduced-sugar cereals made with whole grains, cereal bars, graham crackers with low-fat yogurt, 100% fruit juice and skim white milk, just to name a few. The staff at Beaverton Rural Schools would like to take this opportunity to encourage ALL students to participate in this fantastic FREE program.
